

Constantia is offering

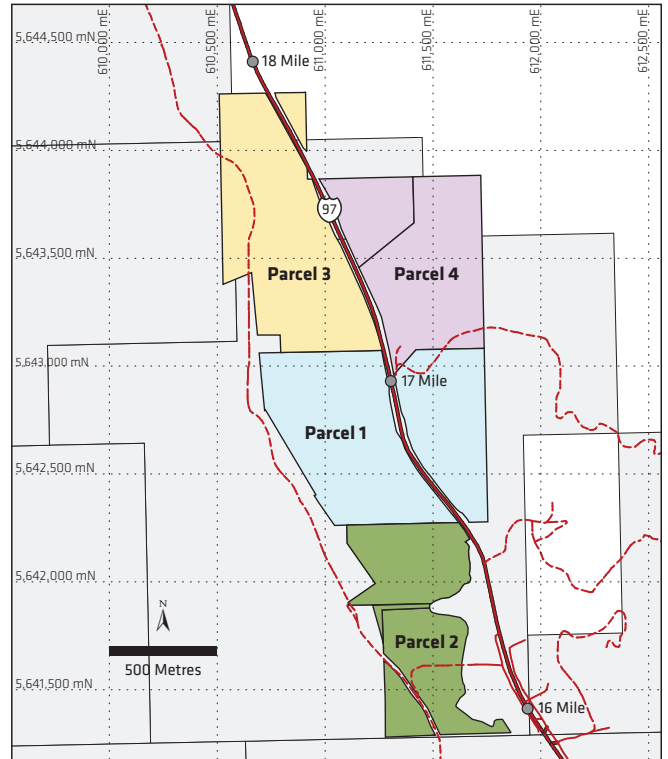

## FIVE YEAR FARM LEASE OPPORTUNITIES

for its private properties commencing in **SPRING 2017**

Constantia is inviting interested parties to complete an application describing their farming experience, parcel of interest, plans to use the property including irrigation and maintenance, and to make a bid on a proposed monthly rent. Potential renters may use the properties for livestock and/or hay production and will be responsible for all services (hydro) and maintenance (fences, etc.).

Some properties may require improvements or additional irrigation equipment to suit particular farming applications. In the event that Constantia terminates a lease agreement sooner than the five year term, Constantia will reimburse renters' capital improvement costs (less depreciation), to be fully described and negotiated in the lease agreements.

Note that based on the interest to date, Constantia expects more applicants than there are properties to lease. Constantia will assess candidate suitability based on the information contained in each application among other things. Applicants are welcome to attach additional material if the space allotted in the application is insufficient.

**APPLICATION AND INFORMATION:**

Interested applicants are invited to submit completed applications by **January 15th 2017**. Please send applications or information requests to:

**Jason Quigley**, *Executive Vice President, Regulatory & Stakeholder Affairs*  
JasonQuigley@constantiaresources.com  
15th Floor, 1040 West Georgia Street, Vancouver BC, V6E 4H1  
Tel: 778.373.6903
